

Professional Kennel Club

NATIONAL

SQUIRREL CHAMPIONSHIP

.....

~~~~~ Format ~~~~~

- ☑ PKC will maintain and publish a standing of the Top 21 dogs earning the most in PKC Open Squirrel Events.
- ☑ PKC will provide the sum of \$2,500 that will be added to the accrued escrow amount from each Open Squirrel Event for the year to establish a "NATIONAL CHAMPIONSHIP FUND".
- ☑ Awards paid will be based on the number of cast wins accumulated by each dog.
- ☑ The Top Six money winning dogs at the end of the year (December 31, 2009) will be awarded one-half (1/2) of the National Championship Fund.
- ☑ The next fifteen dogs in the standings (7th - 21st) will be awarded the remaining one-half (1/2) of the National Championship Fund.
- ☑ The overall top money-winning dog will be awarded the title of "PKC NATIONAL SQUIRREL CHAMPION", and will receive recognition in PROHOUND and other competition squirrel hunting magazines to be determined.
- ☑ These dogs will not be required to attend any championship event.
- ☑ Awards will be paid to the registered owner of the dog earning the award at the end of the year (December 31, 2009) and will receive a check from the National Championship Fund based on the his position in the standings.
- ☑ *Example: If there were a total of \$1,500 in escrow from Open Squirrel Events for the year, this would give a total of \$4,000 in the National Championship Fund. The Top Six (6) dogs would be awarded one-half (1/2) of the fund balance or \$2,000 based on number of cast wins. If these six dogs had a total of five cast wins each, this would give us a total of 30 cast wins, and each cast win would be worth \$66.67 each. The next fifteen dogs in the standing would receive the \$2,000 divided in the same manner.*
